"Ugly"

Unattractive, Unwanted.

Going nowhere, good for nothing.

Lonely, longing for a true friend,

Yet and still, you wouldn't understand.

Unable to fit in with the local crews.

Getting verbally and physically abused.

Living life with low self-esteem.

You couldn't possibly understand what I mean.

Unaccepted, undesirable, unappealing.

Girls being mean spirited, not caring about ones emotions and feelings.

Luckless in the pursuit of acceptance and somewhere to be.

You can never know or see what it's like to be me.

Ugly hands, ugly feet

Ugly face, ugly teeth

Ugly body, ugly writing

Just, plain ugly is me.
