Contact Lafranchi/Menendez to Riley intro Sen./Gate Pass
Skaggs has chaplain status on all three yards.

021115/0600 **F DJ B+B**

0650 - up & down every 2 hrs busy minded on too many topics!

Finish my Change cycle by obtaining locker and STOP! My
objective is MY COND.! prep for other side.

Need reply to DJ - ask questions "Hero". Prego doing dope
- what do ya do? DA agent provocateurs

021215/0600 **FMM**

1250: Transfer Sen. material to chapel locker

021315/0600

0630: Dwelling on DJ letter-out. / Relieved of "Duty" re.
A-Fax/MCSL Sen. proposals. Fuck em! Creative ambitions
for Rehab have somehow morphed into belligerent contest
- now reflecting/infecting interaction w/ grp.

021415/0400

0630 - Oded on chocolate yesterday - CD for Valentine sweets.

OKay with letting go of Sen. game/Acquiesce to "authorities"

0615: up at 1230-0130 dwelling on...? too many things neither here

nor there! Determine to Be Recluse Artist. It ~~would~~ is

a shame to have all this time and art material and not

produce any pieces of artwork! 2015 is the year!

Down through the ranks.

021815/0430

0600 The most profound epiphany from the fast was related to the
chain and collar retarded theans readily place upon themselves.

The Anchor Points - trapping them in identities. Those PTP's are
fabrications of Effort counter effort games, we are prone to
take personally - which further entraps! I do have "solutions"
to incompetence ... apparently resented by the status quo.

Therefore ... by example, Flourish and Prosper!

0800: Younus com after Breakfast, fix mon DNS/resign my post-

sch. material and thinning out excessive material, prior to A-Fac sweep.
Confident in determination to step back from belligerent contests here.
