

Dear Beck,

1-16-18

Thank U that I'm not feelin so hot! Reminds me 2 listen 2 my body; get adequate rest, drink more water, 2 bundle up, sleep hangin out in 0° temperatures or even 2 praise U in all circumstances. Good thing I got the flu shot. Know it'd be a lot worse if I didn't. Right now it's just a runny nose -n- sore scratchy throat. Thank U 4 givin me the idea 2 scratch it w/ my tongue. Took a while, but I got it down pack. 4 the most part. Thank U I got a single cell so I can sit here w/ the ~~garbage~~ garbage can -n- tissue next 2 me. More 2 home w/ toilet or more 2. Devil knows I been spitn up phlegm - every so often, especially when I'm tryin 2 sleep - (here it goes again) Devil knows my nose could hold so much snot. (That's what we call it down here) knew this will help me be humble a B-bill prachree as well. Bless the reason the scripture in 1st Corinthians 11 came 2 me. 4 this cause many R sickly among U" Confess I took communion unworthy on 1-14-18. Definately buttin' lustful thoughts as well as adulterous ones. (L) I'm still messed up, but know I'm in the process of get-n better. Haven never gone my 2 aweman I tend 2 be all over the place (sorj) Thank U they had Boble Schuf. Thank U Glen made it -n- had fewer 2 stay though he didn't $\frac{1}{2}$ on the appropriate shot. Thank U given him fewer w/ the chiplash. Thank U the door could be pulled shut.

Thanks U for excitement in telling me that he came all the way down there I tell me bout a dream he had - but my been free. Thank U he was able 2 recall most details of what I had on. The Mike out loud excited me n-made me think of the 2 hard blue crazy 4's I seen Sun afternoon 8/11! In his dream I even had a job at -Dave's BBQ. Never heard of it - but I'll take it. Amen. Thank U he wrote the dream down - n-gone make me a copy. I crazy 2 had a "free" dream yesterday.

God thank U 4 whidener U up2 especially as it relates 2 my physical freedom. I think of the story BK told yesterday of the 16yr old w/ life who ~~were~~ was reached out 2 by a Christian but delinquent. However 2 yrs later his eyes were opened - Spiritually - n-he cry'd out 2 U. Then U in Ur grace -n- mercy hevel him -n- even elevated 2 man in his legal situation -n-free him.

like David in Psalm 25 I know whatever U do I release hrs nethin 2 do w/ NB good in me or NB "good" that I've done. B the 1st 2 admit I don't deserve it Even when friends, family, -n- associates attempt 2 tell me I do - I'm merely asking U 2 move in my situation outta Ur judgment & -n- grace Psalm 25:5-7
I am an unworthy servant try'n to do that which is my duty 2 do Amen
