"Gossipmongers"

Supposed secrets

Whispered rumors

Harmful lies

He says, she says

Gossip, gossip, gossip

Stop it! Stop it! Stop it!!!

Quick to point fingers

Forgetting that three point back

Bending the truth

Neglecting the facts

Malicious misquotes

And twisted words

Ruined reputations

Devastating and undeserved

Peeping in other's closets

While living in glass houses

Unhappy

Happy to make someone else unhappy

Inciting needless conflict

For what?

Talkative, Tammy?

Gossiping, Granny?

Learn to mind you own

He who is without sin cast the first stone.
