Hello Bloggers,

Again it's been awhile but I've not forgotten you all. I guess I've been trying to keep myself sane over these years and I wish to thank any and all who do read these blogs, I'll write more and hope you still wish to listen to my words you read. Let me end this page with a few words.

(Forgotten Man)

In my mind I continue to dream, in my heart I remain strong in hope of a wish to come true. But, my shell that carries me along remains hard to hide the pain & many lost tears I've dropped over time.....
