Continue Part 4.

I'll be a fucking idiot to accept such ideology...  
Knowing when you look at my now physical physique  
That I'm the next poor black man to be  
sophisticatedly gun down... and sweep under

The good ole us of a cover up rug...

The only thought come to my mind upon listening to stories  
After stories of discriminatory behavior of the states governments  
of the united states and reading stories of disparity and  
Horror in the Mediterranean out of a Ms. magazine.

The lords Resistance Army of the Congo Delta,  
Shabab in somalia.

BOKO HARAM in Nigeria

Pro-slavery in Islamic Mauritania

International crimes of Genital Mutilation of children

In Kenya, Liberia, Sudan, Mali, Ivory Coast.

No schools for girl until after 1980 in the Ivory Coast.

Pandemic HIV/AIDS program and the need for funding  
in post-apartheid era Johannesburg, South Africa.

Public schools in the Historically African American/Ethnic  
American communities under funded, nonetheless, the public  
schools in the white community over funded...

oh!!! I know what my white us of a government want me  
to do... So I desire not ask... But, only say, no!! until  
I can resemble such action.

Where is my Radio Flyer...? I-- so desire to be like  
Bobby in Radio Flyer fleeing away from An abusive step-father  
which to his luck is the towns Sheriff. fuck!!! Bummer...  
Because the unpleasant Luck of mines is unmatched. My Health  
Complication are as early Davidson. I desire to be aware,  
so I don't jeopardize my life or talents for a hateful white

Supremacy confederacy, like Texas... ~~so~~  
so I'm not stigmatize like Seyed Farook and Tashfeen Malik  
(whom never see 30.) as terrorist by an ignorant state and  
nation that lacks the common sense to accept the terrorist  
action of themselves compelling them and so many to conduct  
An act of despair..., abandoning many as orphen to an hateful,  
lost, world...
