

My Awesome Ability to SCREW UP

Hello everyone, just thought I'd let you know what God has been doing in my life. Well, I have been bumping heads with one of my brothers, a mentor actually. The disagreement was on God giving us power to do things in his name and whether or not I should be doing Bible studies with Jehovah witnesses. My stance on the power issue is that I don't want power because I don't trust myself. I want God to get all the glory. My friend and mentor called me a baby Christian, I asked him not to do that because I find it offensive, we argued. This same friend told I should not listen to Jehovah's witnesses because they are a cult and will lead me away from God. He also insinuated that the only reason these men blessed me with food and hygiene was to bribe me even though they have helped me more in the last week than the rest of my Christian brothers have in the last 6 months.

The Devil has been coming after me very hard lately, arguments about serving God, Bible interpretation, giving to others and leadership in the church. I have been told that I'm a blasphemer and a servant of Satan several times. It all came to a head the other night when someone took my personal spoon. I got angry and made a very bad statement and my mentor said if I truly believed in God I wouldn't be mad. He said a spoon wasn't that big of a deal and I said maybe it isn't a big deal for someone who got money on his books and could easily go to commissary and replace it. I told him that I hadn't been to commissary in over 11 yrs.

I felt bad for my actions and prayed for The Father to forgive me and protect me from the enemy. I also commanded the spirits that were tormenting me to leave me alone by the blood of Christ and the power of God Almighty. Since then I have felt peace and been blessed to hear the spirit several times. God Bless You All.
