Dear Trace,

Howdy! I'm so glad to hear from you again!
I noticed your "user name" - that's really clever.

I'm glad you enjoyed my story & thank you so much! I assure you, I was very socially awkward myself - that's why I'm usually a loner.

But... it's important to practice & make an effort. I know how easy it is to be social online, but it's always good to make an effort with face-to-face situations. With practice it becomes easier.

I'm so happy that you've continued to comment. You seem like someone I could be friends with.

Love Blessings,

PS Oh! I almost forgot - have you heard of Black & Pink?
It's a LGBTQ prisoner organization. You can find it at
BLACKANDPINK.ORG (I think).
