Dear Trace,

Hey Dirl! orlb, it really does suck not having my AP3 - I really miss my music & can't pray to the Music Gods anymore! Argh!

Ther rumors were awful. If there's one thing I can't stand, it's people spreading stuff about me that isn't true. I take pride in my sense of honor.

Valentine's Day was WONDERFUL!! I am with the best man I have ever been with in my entire life. I am gonna be a wreck when he leaves in 2 months. I hate thinking about it.

I hope yours was good too. Did you do anything that day?

Love,
