The Continuance of Civil Rights Violation

March 31, 2017 I filed a Writ of Mandamus, Motion for Recusal and Pauper's Affidavit. So time kept spiraling by. So I am wondering why haven't been to court on my motion. I didn't understand at all. Because I recused everyone who had dealt with my case. Come to find out that the Clerk of Superior Court in Decatur County, Bainbridge Georgia which her name is Cecilia Willis. She put my paperwork into the hand of the judge, I recused from handling my motion. His name is Chief Superior Court Judge T. Kevin Chastain. This man denied all my motion including his own recusal. Who in the world do that? This has been an ongoing battle with Bainbridge Superior Courts. They keep taking the law illegally applying it to deprive me of my rights, privileges and immunities. A law even though fair and Constitutional on its face may not legally be applied as to the Constitution of Georgia and The United States Walker v. State 220 Ga. 415 139 S.E.2d 278 (1964) never on other grounds 381 U.S 355, 85 S.Ct. 1557, 14 L.Ed.2d 681 (1965). Once again I was denied my due process Clause without notice and opportunity to be heard, there is no jurisdiction to pass judgment. Citizens & Contractors' Bank v. Maddox 175 Ga. 779, 160 S.E.227 (1932) O.C.G.A 25.4(1) and (2) I recuse my Chief judge (2) In the event the Chief

Judge is the one against whom the motion is filed, the assignment shall be made by the judge of the circuit who is most senior in terms of service other than the chief judge and who is not also a judge against whom the motion is filed. Mrs. Cecilia Willis was supposed to put my motion in another judge hand. I wrote a letter to her discussing this matter. I asked her to reinstate my motions because everything this chief judge done is null void because recused him. I also ~~had~~ told her that I was going to send her to jail because I am tired of people violating my rights. anybody who knows any civil rights groups that ~~can~~ help me. Please contact me at:
