"Speaking Through Actions"

2.

Your actions are speaking  
What your lips won't say.  
Let my love be medication,  
In healing all you're suffering and pain...  
Promise to be honest, faithful, understanding,  
Caring and supportive to what our life brings,  
Times will get tough,  
But our love will overcome those obstacles...  
Let my words reflect on your past,  
And vanish what you thought was impossible.  
Purity, strength and comfort.  
Attributes in believing to be true can make love  
Possible...  
But not seeing the truth can make life unbearable.  
So let me bring joy upon you today and tomorrow.  
Let my love speak the truth,  
Of how I feel about you...
