"Loves Quiet Revere"

1

With life's obstacles in the way,
You couldn't hear my plea.
In anguish, love's pain seized me.
The sky became dark while
I mourned, engulfed by this pain.
You have been enthroned upon.
My heart forever you're to reign.
Your ways are super relative, my love,
Together our lives will share.
Away from you my love,
I'm caught by it's labor of despair.
In my heart you've projected true love,
By some mystical beam.
Because it's you whose made it come true,
My exotic silent dream.
