"Love Is..."

1

Love is respect, love is equality.
Love is acceptance, love is loyalty.
Love is pain, love is trust.
Love is sacrifice, love is lust.
Love is simple, love is intricate.
Love is selfish, love is intimate.
Love is communication, love is dedication.
Love is anxious, love is patient.
Love is blind, love can kill.
Love can hurt, love can pull you in against your will.
Love is here today, love is gone tomorrow.
Love is joy, love is sorrow.
Love is negative, love is positive.
Love is what you take, love is what you give.
Love is fast, love is slow.
Love can tear you down, love can build you up.
Love is Heaven, love is Hell.
Love, love's no one but itself.
