"Lisa"

2.

This is the worst of times to come,
And when you left went all the fun.
Everytime I think of you,
I want to say,
I just keep wondering who's holding you now,
I just keep wondering who heart she knocking around,
There's nothing, I wouldn't do to be in his shoes right now,
Sometimes I wonder just where you are.
You are the one who broke my heart,
Tell me what the hell I've done,
To make you leave with our child,
Tell me and everything will be okay,
Everytime I think of you,
I want to say if you ever need me in the future I'll be there,
It may not be love,
But I will always care,
Stay strong my love and someday, I'll be there Lisa.
