"Time I Must Kill"

1.

The time that I've wasted is my biggest regret,  
Spent in these places I'll never forget.

Nowhere to run and no one to call,

I have only me to blame for it all.

Everyone should know, if I could change it, I would.

My family must know that my intentions were good.

My pain is so deep that it cuts like a knife.

I share it with you in these words that I write.

I know tomorrow will be better than this.

One day closer to the people I miss.

With this pen I share all the tears that I spill,

But now it's just me and this time I must kill.
