"Hear My Cry"

1.

Bright stars and lonely nights,
Rumpled sheets, sleep putting up a real fight...
Laying there thinking of Day's past.
Surely my decisions will not continue to be so bad...
Warned I was numerous times,
Here in this concrete jungle I reside...
I've sure benefited from my stay.
My release I pray comes this day...
Patience and faith attributes I now own.
Naysayers come now see how I've grown...
No longer the bitter, cold young teen.
Compassionate and understanding after all the pain and suffering I've seen...
So as sleep finally overtakes me, I exhale a long sigh.
