

A MOMENT OF THOUGHT

"I like it when a flower or a little tuft of grass grows through a crack in the concrete. It's so fucking heroic."

--George Carlin :-D

Things are steadily progressing in here. The school district is even taking a renewed interest in BRCI's Education Dept.--that's been shut down for quite some time now.

I hope it does get revived.

The prison can't claim any efforts towards "rehabilitation" without a viable G.E.D. program! There's just no excuse for a prisoner to come in here--stay for 10, 15, 20, plus years--and leave without even completing his (or her) high school education....

They've asked me to help out again; and I said I would.

We'll see how it goes.

A crack in the concrete--maybe--waiting for me to poke out my little head.
