"The Gates Of Time"

Looking through the gates of time,  
I see a light that shines,  
Through the bars of darkness that covers my soul.  
As glory is revealed, peace became steel, enabling to hear His voice!  
"Come forth from this place" I am called, I can feel  
My spirit respond, as I am drawn,  
Where once there was doubt, fear and unbelief,  
They have all been replaced with unconditional love and peace.  
No longer shackled to shame, disgrace and pain,  
I am as free as a bird who has flown beyond these prison gates.  
Now outside these gates of time,  
I must remember those left behind,  
Pray for them to be transformed inside,  
Because they will never make it, if they don't accept the call,  
Looking through the gates of time.
