"Bad Seed"

I was planted in Mother Earth's womb.

I matured and grew but never bore fruit.

Have I not paid my dues?

Is it that the Earth I choose

Is barren and cannot bare me fruit?

Am I cursed to never be fruitful and multiply?

Will my seed be planted in vain till the day I die?

I'm an Outcast.

Labeled as the family Black Sheep.

But in reality, I'm really just a bad seed.
