MARCH 30, 2018

Dear Grace!,

I was sure glad to hear from you, I wrote you on 2/14/18 and thought you wasn't going to respond or you never got any of my responds at all. The reason being is because the Officers that been picking up our going mail haven't been sending out all my mail. But the Officers that working now haven't been missing with my mail, as of yet.

I am sorry to hear about the darker things in your life (such as abuse, violence, ect), from your past. My past was really bad growing up, I been through a lot and just have got stronger as time as gone by. I would love to read some of your poetry some day. Whenever you get time check out "createspace.com" you can publish your book or books on there ~~for~~ free and you get 35% of all sell's.

Let me take the moment out and answer your questions.

1). I'm 37 years old, born March 1, 1981, so I am old now, haha... I feel like, I am 18 and get around like a 18 year old that's for a sure thing. I eat health and workout as well.

2). All themes in poetry interest me, I love all styles of poetry. I guess it's because, I write a lot of different styles myself. I have many different styles of poetry, I wrote ~~as~~ different many different styles on other people out look and ect. I only have read other guy's poetry in here, but plan on reading a lot really soon.

I have a few question's for you now.

1) I know a man, shouldn't ask a lady, but, I am curious of ~~that~~ how old you are?

2). What you going to school for?

3). What makes you smile and what makes you sad??

4). What do you enjoy doing for fun?

5). What is your choice of music?

6). What do you enjoy reading besides poetry?

Now before I end, I have something I would like you to think about and let me know what you think. I would like to write straight to you back and forth. The reason being is because I ~~haven't~~ been having problem with mail going out to family. It's just a lot of my ~~writings~~, I sent out to my blog hasn't never made it at all. You want have to worry about stamp's at all, I can and will send you how ever many stamps you need and want

I will never ask you for money and ect, I am good I don't want for anything at all and not only that, I get out next year between May and July ~~so~~ I should make it out the end of May next year. If not its cool as will, I just have to pray that you will get all my responds and if not I will have to keep on writing until you do. SO LET ME KNOW SOMETHING REAL SOON OR WHENEVER YOU GET THE TIME TO DO SO?

I HOPE TO HEAR FROM YOU REALLY SOON, TAKE CARE & KEEP STRONG.
