"My Only True Love"

People take the love of a true Soldier on walk on,
They laugh at me, feel for me
But never really cared for me,
I turn my back on the only love,
I ever had only to be passed on by the mad hater,
I filled but so many tell me that I only pusted,
My eye's grow glassy at the thought,
Of losing someone I love so much,
But in time I find myself growing stronger,
I give my heart to my race,
Because they really love me.
It's a cold world and ruthless enough to be cold,
Just like it will make it,
So I left up my head turn my eyes back to the sky,
The air that's been blow into the nose,
Of that sleeping Beast let it run freely,
Because it is me and I am it,
Love live's no more in this shell,
Want it besides my only true love.
