Sigard, Thanks for dropping in BetweenTheBars to acknowledge "HELP" — isn't always helpful.

I wonder if anyone has done a study on how many of the mass-killers were under doctors care at some point — being "helped" by a psych, prescribing psychotropics?

You should read a history book to understand what's going on with LBD's Great [sic] Society, and the lengths required to put it in check:  
**PSYCHIATRISTS — THE ARCHITECTS OF HORROR** (ISBN: 0-9648909-1-7)  
from: Freedom Publishing, 6331 Hollywood Blvd. Los Angeles, CA 90028. Consider the Yiddish tentacles involved, and then you'll glimpse the fabled Hydra phenomena.

Heracles himself couldn't defeat that beast without his nephew Iolaüs, pitching in to scorch the tentacles of each severed head! Tell me Sig... what do you know of the 12 labors of Heracles? Labors of atonement they be!

This Frigg's tag I pulled Elhaz — then Eiwarz runes, at my Ostara blot. Imagine that! At-one-ment, at last. Now what ???

P.S.

I've just rec'd Viking lesson on symbolism noting Elhaz and — "The Golden Stag". Wow! The synchronicity is so confirming... and life affirming! Im blessed.

Be blessed

Every hurdle is merely another rung on the ladder of worthiness FTW

We of the Church believe:

That all men of whatever race, color or creed were created with equal rights;

That all men have inalienable rights to their own religious practices and their performance;

That all men have inalienable rights to their own lives;

That all men have inalienable rights to their sanity;

That all men have inalienable rights to their own defense;

That all men have inalienable rights to conceive, choose, assist or support their own organizations, churches and governments;

That all men have inalienable rights to think freely, to talk freely, to write freely their own opinions and to counter or utter or write upon the opinions of others;

That all men have inalienable rights to the creation of their own kind;

That the souls of men have the rights of men;

That the study of the mind and the healing of mentally caused ills should not be alienated from religion or condoned in nonreligious fields;

And that no agency less than God has the power to suspend or set aside these rights, overtly or covertly.

And we of the Church believe:

That man is basically good;

That he is seeking to survive;

That his survival depends upon himself and upon his fellows and his attainment of brotherhood with the universe.

And we of the Church believe that the laws of God forbid man:

To destroy his own kind;

To destroy the sanity of another;

To destroy or enslave another's soul;

To destroy or reduce the survival of one's companions or one's group.

And we of the Church believe that the spirit can be saved and that the spirit alone may save or heal the body.
