Dear Grace,

I got your comments about "Hypocrite" the other day. I hope that you got my comments, I sent you on 3/30/18 by now.

When, I wrote "Hypocrite" some time back, I wrote it where it would speak to everyone like the LGBT and other situations as well. I been through hell and back a few times and, I done been to heaven and back a few times. So, I try to write poetry that everyone can feel and understand no matter if they are LGBT because they human just like every body else.

Yeah it's a sad thing for alot of people when they are told "be who you want to be" and "be yourself" but they never did mean it in the first place at all.

Whenever you find the time can and will you please do me a fav ~~to~~ pass word on about my poetry and my blog on to "Social Media" please? I'm just trying to get my work out there to people that love and enjoy poetry that's all.

I will be responding to your comments about "Puppet No More" sometime this work coming up, they picking up mail and, I want to get this out to you.

Take Care, keep strong and know that your always in my thought's and prayers. Hope to hear from you some time soon.

Always,

Jack M. Branch
