"What Do You Like?"

What do you like?

Could it be my smile that lights up the dark cloudy days?
Or maybe it's my calm demeanor and easy going ways;
My understanding manner my giving heart,
My educated mind and street smart.

What do you like?

Is it my dark mysterious side or my more hardcore serious side?
Could it be my hatred for ignorant racists or my impatience for those that can't think
beyond the basic?

What do you like?

Maybe it's my total disregard for the law
Or the way I've learn't to embrace my flows?
Is it that I sometimes lose control of my anger
Or that I like guns, fast lane living and danger?

What do you like?

You can like all of it or none of it,
It doesn't matter as long as I love it.
I can't please everyone nor would I try
It's me I have to satisfy and don't care what you like.
How do you like me now?
