Dear Grace,

How are you doing? I hope that you and your family are in the very best of health. Hopeful by now you got my comments, I sent you on 3/30/18 and 4/18/18.

I am glad that ~~the~~ "Puppet No More" touched you and you loved it. Yeah "Puppet No More" is about a romantic relationship that turn out to be abusive. God knows that I been in some crazy relationships where my heart was broken and, I broke a few of women hearts as will. I never have put my hands on a woman, for I believe that man that does need to be deal with in a big way.

Anyways, I hope that you will find more of my poetry enjoyable and ~~worth~~^{worth} a respond and whenever you find the time will you pass on word to your friends on Facebook and ect about my poetry please???

Take Care and keep your head up and hope to hear back from you.

Always,
Jack
