The Hardship  
of Life

Life IS so fucking Hard.

It's Not Easy Living. why are not Laws completely - Equally Applied to Everyone. whether in uniform or not.

I don't want to GAWK Down the Next female CO or nurse. NOPE DO I want to TALK TO THE MALE CO. OR NURSE.

I appreciate Not Having some fucking Psycho-path ~~IN~~ A CO or nurse Uniform RAM their Hand up my ASS OR RAPE ME AFTER they manage to convince Every mother fucker to drug my food without me knowing.

well... At Least they're telling me now. 1 Bowl of PSYCHO-TROPIC oat meal - coming up.

☺️ yeh... Here's your milk you Little Baby...

I guess when you're the government officials, correctional officials the ONLY LAW APPLIES IS THE ONE YOU PRAY you ~~prove~~ to a Judge or JURY that was violated... THAT'S IF you're lucky..
