sorry priska
lost track of yesterday...
just know i was bein bout god's business .talkin 2 a friend bout raising daughters n how 2 b the best father after makin childish mistakes. he 2 came in as a teenager . ouch.
still don't know where u at but i loveu just the same. u stay in my thoughts as i'm constantly thinkin bout u n how 2 give u the world. other times i think bout how regretful i am bout leaving u out there. the pain i caused u n ur mom. if only i was life smart at 18...the pain in my heart makes me want 2 teach against teenagers having sex now n upon release
speaking of which everyday god is blessing me 2 get closer. got 2 groups 2 take signed up 4 one n the other may get taken off. let's go god
priska i know what love is now
so i must tell the world
I LOVE MY DAUGHTER PRISKA
I AM WE

morning priska ,how r u?
i'm blessed just my back hurt! been hunched over writing my memoir since like 5pm it's 7:45pm now ouch! yup being disciplines in writing everyday wednesday especially . would've wrote earlier but had 2 take a nap not easy getting up at 3:40am mon-fri practically sleep my days off away . went 2 the library 2 get the zip code to a church in racine . as getting out gets closer want 2 make sure i have a spiritual support system could use a father figure in my own life,learned alot bout manhood on my own but need help. i have 2 learn things bout life insurance ,buyin a house,mortgage,retirement plans,get'n a travel agent,bein balanced as well as health insurance,etc.
had a convo w/a co-worker that helped solidify my views on youth having kids,as well as young adults having kids. point being he like others,myself included had kids while he was yet one himself.barely understanding how 2 b a boy he had 2 lil girls,now he wondering how 2 raise em,what 2 tell em etc.
thank god it's a father program that start next week
