not sure if my blogs from february have reached u yet. apparently there was some kinda computer glitch on my end. see these emails have 2 go through a series of checks n balance . so my loquacious response didn't make it 2 the blog 4 whole month per the letter i got from between the bars. hoping my post 2 u didn't get lost in da sauce .

any way here i am hoping 2 keep our eloquent correspondence alive n well

went 2 a bell of the bluff concert in the gym. cool but would've been better if i knew the songs. still my horizons were broadened n it helped me humble myself 2 take interest in the lives of others. maybe my daughter or family member will one day play bells
