

John's a Baptist

May 8, 2018

writing is my motherhood
& travail

in birth.. behind the veil
birthin between the lines
& leave black-n-white
affirming

supreme joy
as love arrives

souls come forth

days-n-years in labor
labor'n

bring'n 4th

New Life

that helps babies grow
healthily inside me

nourished w/ John 3:16

leave'n stretch marks

under my eyes

& the utter ends

of da earth

no memorial

Heaven's my after birth
