

Romance

April 8, 2013

I quenched the life, inside me
threw dirt on my face,

Would God wanna bride me?

meet my parents?

get me pregnant?

When my dress

wasn't

virginistic.

meaning of love, I missed it

being criminalistic

closed eye ballistics

all of me, misused.

Save my self? who gave me these views?

with valued my soul, like shoes

with no creases

cause value decreases

if valued ~~and~~ salvation, I decreases

cause Christ ~~and~~ increases
