beloved priska ,it's may 8,2018 n i know i love u

please tell ur mother HAPPY MOTHERS DAY n that i'm still gone send yall 2 disney world. so help me god.

coincidentally my pops his wife they kids n walt n his 3 daughters r goin 2 disney land in june or july,i found out monday . it pangs my heart that ur not in touch w/them. it's all my fault... tryin 2 make it right. gotta keep askin them 2 facebook u so u can b part of the family festivities ,but who will b as persistent as me. bout 2 find out. bad enuff i have 2 miss out,u shouldnt have 2. does that make sense? tired of my hands bein tied... ruffly 120 days till i have another chance 2 go home definitely SUPER PRAYING ,will u join me?

will keep u posted on ne changing development ... lord knows i don't know how 2 b here n anymore. it's all mundane with nothin left 2 offer me,but release .meanwhile still using my time 2 write books..

2day as i wrote god reminded me that he is with me to keep me from loneliness ,so in love i pass that on to u. john 16:32 n 2 timothy 4:16,17

daughter i can't wait 4 u 2 b that amazing psychiatrist u gone b

amen

i am we

love dad

god bless u priska

i confess u goin 2 college ,even if u not in it. see 2nd chronicles 34:22 amen. u r huldah smile. god loves women. he made u wise beyond ur years 4 a reason . can't wait 2 see the impact u gone have on the world. since u like me i know u doin this very thing right now wherever u may be.

i made an impact 2day by sharing an article with somebody . it totally brighten his day n put a smile on his face n joy in his heart. see the the 500 word article said something he needed 2 hear,when he needed 2 hear it.

also touched lives thru my god-given knowledge of the bible n how 2 apply them 2 our daily lives haven't wrote ne new poems....been focusing on the emmanuel book n taking notes 4 my memoir ...just contacted another publisher,so see what happens... god willin i can get published n put god's word out there

nothing else new,might get a cheap new pair of shoes so i can go runnin. yup me n dre gone run sunday morning at 7:30 can't wait 2 run with u smile

pain in elbows went 2 the dr but still no closure on what's causing the pain so gotta go through the trial n error phase starting with muscle rub

i love u n miss u

I AM WE

LOVE DAD
