

Dear Trace,

05-22-18

Hey Dirl! I'm so glad to hear from you!
 Thanks so much for your support! It can
 be a little crazy around here sometimes - this
 morning we were stuck out on the Rec yard for
 3 hours during a "training drill." It was such
 a pain in the butt.

Fortunately, though, I've been in less of a
 crappy mood lately.

And for the record, you have someone in
 Virginia praying for you & sending you happy
 vibes!

Hugs,
