Dear Kyla,

Thanks for you writing. It's really good you studying criminal justice. It's a really good field to get into for a sure thing. I don't know what Branch you looking to get into. However we need more people that is going to get into it for the right reason's and that's not going to get in it for the wrong reason to use force of any kind.

We need more people in the courts, FBI, Attorneys, and State Attorneys that is going to change the crazy things that going on in the system. Never let anyone tell you it's not a good field to get into. Study hard and reach for the star's.

I don't know what other career choices you have in mind but whatever it maybe always be your best and study hard.

So, Kyla, where you from? Where you studying criminal justice at ~~at~~ ???

It's late and we got mail late, I want to get this ~~out~~ out to you. So take care, be all that you can be and, I hope and pray to hear back from you really, really soon.

Always,
