Dear Mrs Julia,

Smile. Ur apologies accepted. I was eager 2 hear from U outta concern U didn't get my many letters. As I told a friend - Gene - "Yeah. I heard from Julia. Which is a good thing cause I didn't want ~~to~~ 2 mess~~u~~ up our blogship". He then commented on my "way with words" - n - how he likes - n - plans 2 use the word "blogship" in the near future.

BLOGSHIP →

Well ur thoughtfulness shows in the fact that U took time 2 "google" Bells of the Bluff. I'm surprised that there's only one group. Maybe there's more. Maybe they got different names. Did U enjoy the video? Yes ~~the~~ their name does sound a bit funny!! We didn't get 2 ask questions at the end or nothing. Just told "Coolies - n - juice in the back. Grab some - n - go back 2 ur unit" How rude. If I see them again I'm gone ask "Bell of the Bluff - n - what does it mean/symbolize?"

Yes young lady. U were right in ur guess. MIA does mean "Missing in Action". Only other use I know

MIA = abbreviation 4 Miami

Though losses come with grief, I learn from them - each time they occur. Doesn't make it easier but - life is seasonal. N my life has taught me that "people come-n-go" Not that they mean NB harm just → life is life. Means "new" people will show up -n- maybe some "old" people.

Like yesterday I bumped into a guy who ran in the same circles as I did at a Bible Study. Michel U it's been 2 yrs. Seen him 2 days 2. In our 10 second exchange he mentioned telling another old friend - that he got hols by - that I was up here. All I could tell him was "come 2 the Rec Field when ur unit plays G North (my unit)"

Also yesterday I talked 2 Tim - an ex roommate - who lives in my hometown. Had him Facebook my daughter who been MIA 4 the last 3 yrs ? well she called him like he requested -n- just told him she "goin through a lot of things, but does plan 2 contact me when it's all saved-n- done. She told him 2 tell me she "loves me" -n- got a message from my Pops. Tryin 2 get her 2 Disneyland in July. Good news is she wants 2 go 2 college just don't know when

See B4 I was (like) smart, I was as my  
mom put it "so smart yet so dumb". So I  
made mistakes that were not in tune with  
Ur ~~avg~~ average honor roll student. But it's  
the next chapter :- Now I'm wiser -n- determined  
2 impact the world 4 good. It's in every book I  
write / have written - So I ~~been~~ been more  
disciplined in writing my memoir. Told myself "I'm  
gonna write 1 book per summer" (though I tend 2  
always B writing 2 simultaneously) So beyond my memoir  
I work on Good with Me

What else is new? Finally learned how 2 tie a tie  
just 2 weeks ago. Adds 2 a man's overall ~~confidence~~  
confidence / security. Also gave me more fashionability :-  
Been design'n more; prepare'n 2 work 4 Advertis  
(or somebody) Even have my own T-shirt company.  
Figure I can make \$2,000 a month sellin slogan shirts.

Oh yeah. Good is great. Anyway I found out that  
I'll B able 2 complete lot my 2 programs by doing

Some home work with my social worker. & Simply put this allows me 2 B 1 step closer 2 FREEDOM. By the grace of God I'm convinced my time here will B over by March 2019!! Mind U I go back 2 Parole in roughly 90 days. So I wrote a Pro Bono lawyer about helpin me put together a letter of support 4 the hearing. Wosh I could get a Pardon from President Trump like Alice Johnson.

- + Do U remember the 1<sup>st</sup> poem U wrote?
  - + If life can B summed up in 1 word - what is it?
  - + If U could B summed up in 1 word - what is it?
