Dear kyla Johnson 81

Thank you for contacting me and saying my poems are touching. I've been super busy with my college courses and that is the reason why I haven't been able to send any of my poems to my Blog but getting your post has allowed me the drive to start contributing more of my poems and short stories to B.T.B

Please contact me through the blog or my address Roland Stoecker P-56837 VSP A3-124 up  
Po Box 906 Chowchilla ca 93610.

Heaven and Hell  
Dreams and nightmares  
burst upon my tongue  
when I kissed away  
the tears of a lover.

When was the last time you were happy?

The last time you cried?
