"My Heart"

In this life I don't have much money,  
No rings, no car, or a special necklace,  
But instead I decided to give you something priceless.  
It's something every girl wants,  
But no girl seems to find, money can't buy.  
What some people call the meaning of life,  
And what others say only God himself can award you.  
What is this priceless treasure?  
It's something I can't give any other girl in the world.  
Something you cannot return and the only treasure you will have after you die.  
When you see God at the gates of heaven,  
He will ask if you have found true Love?  
You will say no, I didn't it is then, He will look at you strange,  
You will ask what's wrong and He will say,  
If you didn't find true love, then why do you have two hearts?  
And at this time you will remember,  
That it was me who gave you,  
My Heart Forever...
