"Brought Into My Life"

With the blossom of life, God opened love's petals...

The hue of rose's in everlasting meadows...

I've seen the sun rise and the moonset...

When I first layed eyes on you,

I was struck with love, the measure of it's extent...

Words could not express...

You were my true love sent from God truly blessed...

Distance is said to make the heart grow fonder,

I rather be close your my child,

I am your father...

I'll die for you!

A man's not suppose to cry,

but I'll cry for you!

I'll walk ~~through~~ throw fire for you, fight hell's fire for you...

I'm dying for you, but I live for you!...

I'll commit a crime for you!...

No, maybe not!...

Who am I kidding, I'll kidnapp a kid for you that kid would be you!...

I'm going crazy for you, but what could I do?...

I'll beg for you please give me a chance to be a better father to you!!!...

It's your life I produce, it's my life I might lose it, I can't get home to you...

I want to hold you in my arms once again...

I plead to you for times lost tomorrow...

There's memories to be shared...

Stories to be told...

In times of duress, a hand to hold...

An old love, a new love, true love never gets old...

Only one person knows this type of love... (LORD KNOWS)...

2.

Could I possibly see more than the world sees?
I can see you and me thru the fold of Eternity
Triumphantly exceeding the time limit the love for us
I can see love and happiness whenever, I look in your eyes
I've heard talk of Angels but never seen one
Until the day you were "Brought Into My Life!"
