1. 6/14/18 "If Loving You Is Wrong... Then It Will Never Be Right"

No doubt about the love in me is for you only,
I really enjoy helping people grow past,
Painful experience's for example,
By reassuring you how much I love you day and night,
Telling you how much I love you in words and actions.
I'll always encourage you to seek for the best,
In life regardless of your past.
You and I can do this if we try hard...
All we need is the formula or the discipline and it's done.
It's important when we meet that we listen,
Consider and experiment on each other's needs.
Picking ~~and~~ and choosing from that list of needs,
Would only send a negative feeling out to the one in need,
This isn't love either, true love is unconditional.
I was made out of love, made to love and born to love,
It's there in me burning to be set-free.
All I can say,
If loving you is wrong..., Then it will never be right!!!
