STALKERS

I've had a female stalking me for years, mostly through social media.

Why?

1) She can't have kids and sees this as a Disability, this led to her jealousy over my daughter.

2) I never give her compliments, to me she walks like a man so I've never been interested.

3) She's obsessed with sexual fantasies involving prisoners, and roller skates.

4) I told her that having sex with her small dogs is weird. She gets drunk on Golden Cadillac, gets naked and lays down.....

5) She lies about prisoners sexually harassing her.

6) She's insecure and tries to get compliments from mental health prisoners.

EXPOSED

I'm sharing my personal nightmare.
When these people get free attorneys
at tax payers expense, prisoners get
run over.

In this law suit WSP staff harassed,
assaulted, threaten me into withdrawing
it in 2016.

What's Next

How do you kick a stalker out of your life?

- 1) Call ASPCA?
- 2) Have her neighbors interviewed re animal cruelty?
- 3) Give her a compliment?
- 4) Have sex with her, even at her age?

* Any ideas?

I kinda feel sorry for her, she's older and desperate.

Maybe if I get her bigger dogs she'll leave me alone.
