**I WANT TO GRIEVE / QUIERO QUEJARME DE:** The Level 2 make bold and unfounded allegation that offender who wear their coveralls to the shower pose a present a security risks. That the policy is enforce by all DOC officials as to not single me out. The policy and practice was established because I began complaining that the floor officers are singling me out for wearing my coverall to the shower. Lastly the superintendent don't state the basis for which an offender wearing his coveralls to the shower present a security risk.

**SUGGESTED REMEDY / REMEDIO SUGERIDO:** Same suggestive remedy.

In order for me to go to the shower I must walk in the path of Evil... Death... Rape. So I don't go to the shower. Unfortunately the State of Washington Department of Correction don't consider this rape grooming practice. You only have one shorts or boxers. IT'S FREE ACCESS. For Joseph Kelly, Kevin Kelly, Artero, Amos Perez, Ben Albert, Bram Lewis, etc. SWAN DUKE, nicole kennedy, Sarah Rutledge, Ryan KEYS, Jennifer Peddicord and numerous of other females will set a mother fucker up like me to be

*AGAINST THE LAW FOR ME TO LAY THESE ANIMALS OUT FLAT. BUT THE LAW ENFORCEMENT*

**PART B - LEVEL III RESPONSE/PARTE B - RESPUESTA 3ER NIVEL** will not even investigate if these mother fuckers get me. or their plot to get me... more and more role play for the slutgity cover up.

DOC Manager, Tim Thrasher, also reviewed this grievance and provided this response: *of Washington state Prison rape grooming practice.*

I reviewed your Level I and II grievance, the investigation, and the responses. I have read your Level III appeal. A complete investigation was conducted in regard to your complaint.

As noted in the previous responses, there are security risks that may be presented when an offender wears coveralls to the shower. This includes unauthorized items being hidden in the coveralls. Washington State Penitentiary (WSP) Administration have directed custody staff that work in restricted housing there to escort offenders to the shower in boxers and t-shirts. This is the stance they have directed and as a result all offenders going to the shower will be required to wear boxers and a t-shirt. Staff have been reminded of this requirement. There is no supporting information available to support your claim that staff are singling you out. Additionally, I contacted the Headquarters PREA unit and this process does not violate PREA standards.

In the upcoming months restricted housing staff across the state will be discussing processes and procedures that can be standardized and made consistent across the state within all restricted housing units. This issue will be discussed further at that time.

*I say... That I'm a no body. Because if I was a some body. They wouldn't do what they do to me.*
