To my viewers

Please forgive me for being
away so long. Been working on legal
and courts. This weekend you will
get a lot of new articles for next
week. I love you Guys - United
State, United Nation and Continent
Be encourage keep your head up.
I know things are hard right now.
But we all have to hang on in there,
keeping each other lifted up and encouraged.
Encouragement is not just for self but for
us to smile on someone else's face. Linda helping
hand, give a hug - Love, Love, Love each other. Look
for me next week. I have some swing subjects to
talk about. Sincerely Jennifer Johnson
