Hello Kyla,

I am glad to hear from you again, I thought I wasn't gonna hear back from you at all.

So you looking to be a counsler in prison? I am sorry but, I have to be honest with you. It is a really good blessing that you want to help people in prison to make a different's in someone life. You wouldn't believe alot of B/s people go through that work in a prison. I been locked up since 2004 it has been 14 years now and, I have seen alot.

For one alot of counsler's and Medial Staff women ~~enough~~ go through hell. What, I mean is about 80% of the prisoners here pull out on them and show them and Jack off on them. What respect is that ??? Yeah, some of them like it and alot of them don't. They ~~also~~ also call them all out of there names and so on.

So, it's alot of B/s you will have to put up with that's for a sure thing. I hope you will have the well power to be strong about beable to take it. Just ~~have~~ ^{ask} some of the workers that work in a prison.

I ain't telling you all thing to scare you away or trying to change your mind. No not all, am just telling you the truth what goes on here in a Florida Prison everyday almost.

What kind of stuff would make me trust a counsler with helping me on a bad day ??? Will for me, would ~~be~~ be someone to listen to my feelings and thoughts and not judge me ~~on~~ how I am feeling at that point.

See that would help alot if you did go beyond your work and did daily check ups. But in alot of cases you may have a case load of 100 or 300 inmates sign to you. So that would be hard to do daily checks ups.

Kyla, I really pray to hear back from you and you understand → OVER →
→ OVER
