"It Ain't Lonely No More"

People judge me for what I've done not for what I do.

They say the consequences behind my actions are my fault and this is true.

I've done a lot in life some good and some bad,

But those were my choices so why you the one getting mad?

I get mad too, but with people who's flaw, not for the life they chose or the consequences they cause.

I don't like the ones that bring others down for the things that they doing.

Who are you to get mad for the consequences I face, the only person on this earth is me who can put me in my place.

You say you're disappointed, a.k., this I understand, I may have broke your heart playing the cards that were in my hand, you say that you love me, but how is that so, when you turned away from me on a dark lonely Road?

So it's here I stand on this Road full of darkness.

I'm not mad I still love you regardless, keep telling your lies bout how you love me so, just realize this road I'm On Ain't Lonely No More...
