"Dream's"

We hold our dream's in the palms of our hands,
Safe guarding them from the touch of any other woman, or man.
We find meaning in some of the strangest of places,
Over looking the obvious then realizing what we've always had right before
our faces.
Somethings you have to put together,
But usually these are the things that come apart,
I prefer those things that are natural, pure, that comes from the heart.
Some people prefer Jewel's like sapphires, rubies, diamonds or pearl's.
But I prefer all that and some, that's why I prefer you girl.
