Hello Kenneth, you are not bothering me. Yes the Inheredism with your own race is some of the worst scenarios I ever seen in this era. We are letting our President do whatever he wants without repercussion. We living in ^{an} generation. Where everyone loves to cover themselves up, self centered and manipulation of ~~others~~ others for their their own benefit. We need recognized selfishness is painful but it is the first step on the road back to correct path in life. Have you ever amaze yourself by what you say and do to avoid facing up to wrong actions, you are getting a glimpse of ~~selfness~~ selfishness in action. This is how our generation of today is acting and President and Government. Donald Trump and the Republican is most ~~at~~ definitely a Laban. Who was Laban? His weaknesses and mistake 1. Manipulated others for his own benefits 2. Unwilling to admit wrong doing 3. Benefited financially by using Jacob but never fully benefited spiritually by knowing and worshiping Jacob Jacob's God. Lesson the government and Trump needs to learn Those who set out to use people will eventually find themselves used. Finally God's plan cannot be blocked Look at Obama Care. Did go any where?
