Dear Bill,

How are you doing? I hope and pray that your in the very best of health. Yeah, Dean Kate told me someone would be writting me soon about getting my book publish soon. I'm glad that, I have heard from you.

You said that you self-published (3) books. Do you go through "createspace.com" I know it is free to self-published with them and you get 35% of all sells. I know they do distribute the books, but don't promote the books.

As you can see all my poems aint Christian at all whatsoever. I just write what, I feel and alot of my poetry has to do with what I been through in my life. I been trying to get someone to publish my book through "createspace.com" and we go 50/50 on each book that is sold.??? Do you think you would be able to help me or know someone.???

Yes, you can send me one of your books, but you have to put the Church address on there or the company address on the package of the book.

I just got your Comment's tonight and you may not get my respond to about 2 or 3 weeks from now. So if you would and like to send your comments here to the prison or ask Kate <sup>can</sup> we do it through the Church.???

I hope to hear back from you really soon. When have time ~~to~~ check out "createspace.com". And let me know what think.

"Take Care, and Thank you for your time and understanding."
