"Diamond In The Ruff"

I think of all that you are, and all that you could be, if I had the key to your treasure, I would make you a reflection of me.

Your beautiful face and glow like an ancient Princess, A Goddess among mortals, in this cruel human habitat.

In you, I've discovered all women in one, for you are a breeding ground to man's search for satisfaction.

My reality is the next man's dream, in my kingdom your role is that of lighting sparks with the twinkling of your eyes, you are a sight to behold, compared to that of a sunrise.

I will sacrifice my desires and my comfort to - in order to wake up every morning, lying next to you.

I will worship your temple from head to toe, dress you in rubies, diamonds, and pearls just so the world will know, that as long as I have you, I have enough.

For you're my precious scared Diamond In The Ruff.
