

NFL SEASON PICKS by The Football Master

EVERY YEAR I PICK THE ENTIRE NFL SEASON FOR EVERY TEAM. THESE PICKS ARE BASED ON THE TEAMS PERFORMANCE LAST YEAR, FREE AGENTS AND QUALITY OF DRAFT PICKS. OF COURSE INJURIES MESS UP EVERYTHING :-)

SUPER BOWL

Vikings 27 Steelers 21

The Steelers will probably win by 3 because Big Ben is retiring, it's a gift from Roger. The Bengals are my team but it's time to admit that Andy Dalton is a Never Was and Marvin Lewis is a sucker who refuses to embarrass a team by blowing them out and can't get his players to win the big game. The Bengals won't ever get anything done until that old very cheap, S.D.B. who owns them dies and the team good players because they're willing to pay them.

I look forward to your comments. The era of N.E. will be over very soon.
