Kyla,

What's up girl? This is Jack. I understand that you want to get to know me a little bit more before writing me personally and, respect that to the upmost. I just don't post alot of things about myself on my post, I feel that should be on a person to person level that's all. I do and ~~will~~ will answer most questions and some, I will not post and maybe you feel the same way and maybe not. But whenever you feel the time is right no ~~real~~ problem, I understand.

I love positive mindset people ever know sometime's it's hard for me and, I am working on it day and night. Lying, and betrayal, I have zero understanding for and hate being around and knowing people that do it.

Kyla, things have been crazy for me and it has me stressed out alot and, I am working on finding me a attorney to file this ~~1958~~ 1983 civil suit. They don't mess up and, I got them it's a (PREA) case dealing with sexual harassment and, they insititution hasn't done anything and it's been going on since August 10, 2018 by two different Sgt's that work day shift and it's still going on as of 9/6/18. I am in my cell 24/7 which, I am on 4M on locked they saying things they shouldn't be saying at all.

But besides of all that, I just been taking one day at a time and praying for the best. I hope that you and your dad is doing well and in the very best of health like always and yall stay in my prayers. I hope to hear back from you soon if you get the time to do so. Take care and keep your head and stay strong.

Jack
