Dear Readers,

Howdy! Blessings to everyone!

OK... so I guess the biggest news in my life is that after 6½ months, I was FINALLY able to replace my AB3 which was stolen last January. OMB, I am SO glad to have it back! Honey (s), I am actin' a fool again!

So, I don't think I've ever shared this, but I love to play my AB3 + strut around the track at Rec. There's a couple of black guys who sit by the track + yell "Runway!" when I walk by.

I probably haven't mentioned this, but I was a Victoria's Secret Fashion Show model. OK, perhaps not this lifetime, but that is one of my goals for my next lifetime.

Tall, I have to keep practicing 'cause all those younger bitches are simply ~~CRAWLING~~ their way up to take my crown as a Supermodel!

I have a whole playlist dedicated to Strut Music. I'm tall + skinny + when I was with

Gosh he always said I had the best legs on the compound. So anyway, I get to be a Hot Ass when I'm walking the track & I'm feelin' myself (figuratively).

I mentioned Kevin (K) recently & for the past couple of weeks we haven't spoken until today. Prior to that I had been feeling used 'cause he would keep coming in & raiding my locker just before lockdown & then leave shortly after & that's all I saw him. So thanks. And I told him so.

I guess he needed something today or felt like he was <sup>not</sup> getting much attention, & so he decided to "forgive" me & came to my cell & acted like nothing had happened. So, just today I'm out \$6.50. How does he do that??

I even told him that he could go back to not talking to me 'cause I'm a lot better off & he just scoffed & told me I didn't mean it. So, really Kevin, I do.

I think part of his reason for "forgiving" me is due to the fact that I've been hanging out with Mason recently. Mason was here last year (or so) & went home & is now back on a "violation" until next day.

Laron is HOT, + has a great body + on top of all that is a nice person who will hang out with me on occasion. He even did yoga with me last week, + we were supposed to do it again tonight, but it stormed + they had the Rec yard closed after dinner.

Unfortunately, Laron is not boyfriend material for a few reasons - + isn't interested really - but I have such a huge crush on him + genuinely enjoy spending time with him. So, I hope we'll remain friends till he leaves.

Now, it's not that Kevin wants me as a boyfriend, I'm sure it's just 'cause I treat the guys I'm with like kings + he doesn't want anyone else hornning in on his fringe benefits.

Dad that boy drives me crazy.

Oh my gosh, I am the worst at this! It's been almost a month + I still haven't finished this!

By the way, a few weeks after I got my new MP3 my radio was stolen! Awesome. And those leather "security devices" for the charger? Someone stole a friend's MP3 by slashing the stitches + then popping the rivets on one side. These people are such trash!

I'm still hanging out with Mason & still been annoyed by Kevin. Things were kinda slow at "work" (typing), but this week I've been super busy.

And now we're all planning for Hurricane Flo. It's supposed to hit N. Carolina this week & they're already threatening to lock us in our cells when it hits. Awesome.

So... I suppose I should get this in the mail. Until next time I wish you...

Love & Blessings,  

PS - OPS! My friend JT whom I'm typing for asked me to include a flyer of his book, "Kippie, the Christmas Kangaroo." Please check it out!
